

Meet the Curling Canada Prince George Team

Kyla Rushton
Marketing Coordinator

Hi! My name is Kyla Rushton. I grew up in Prince George, but haven't lived here in over ten years. I've taken on the role of Marketing Coordinator for the 2020 WWCC and am super excited to be back in my hometown until the end of March. In my past I've worked a lot of events for non-profit organizations; my roles have always been jack-of-all-trades, and I thrive within this kind of environment. I look forward to marketing this event at a local level and to work closely with our amazing volunteers to make this event as successful as it can possibly be!

Terry Morris
Event Manager

I love doing the World Events because you meet people from all over the world and Canada. I have been with Curling Canada for 14 years as Manager of Event Financial Services and an Event Manager since 2010. I have a history and passion for the sport and before working for Curling Canada have championed many events in Edmonton. I volunteered on the Executive committee for 1987 Brier Vice Chair Facilities, 1999 Brier Chairman and 2005 Brier Chairman.

I was the Event Manager for the 2018 Women's World Championships in North Bay that set the existing attendance record. I hope to better the attendance record set in North Bay with this event in Prince George. I look forward to working with all volunteers.

Past Community Events

Our community marketing team was once again out and about promoting the 2020 World Women's Curling Championships throughout Prince George. We can't name them all but below we've named a few:

BCNE - August 15 through 19

Our amazing volunteers were set up at the BCNE in August. If you visited the fair, you likely saw the street curling set up in KIN 1. This was a family fun event that gave Prince George it's first taste of street curling!

CONGRATULATIONS to our draw winners!

Marlene Jones, Tara Chiasson, Anne Chrisp and Isaac Slavic

FOODIE FRIDAYS - Every Friday in September

Rain or shine our volunteers would be set up at Foodie Fridays in Canada Games Plaza. This exciting weekly event features food trucks from around the city. What better time to try out floor curling than after a yummy meal?

CONGRATULATIONS to our draw winner!

COUGARS HOME OPENER - September 20

We had volunteers fighting over being at this community event! Who wouldn't want to attend the Cougars home opener? We had table top curling set up - the three Cougars fans to the right couldn't get enough of it!

CONGRATULATIONS to our draw winner!
