In cooperation with its Provincial and Territorial Member Associations across Canada, Curling Canada provides programs and services to curlers of all ages. The primary area of administration and the most financially consuming of Curling Canada's responsibilities are championships. On an annual basis, Curling Canada sanctions and conducts 17 national curling championship events. The Canadian Curling Championships are:

- The rights and profits to any 50/50 draws during the course of the event are 100% retained by the Host Committee.
- A legacy from the event should be established for the benefit of curling at the club.
- Volunteer development and capacity enhancement for future events.
- 112 athletes, 12-15 officials.

## 4. History of the Curling Club Championships

The Canadian Curling Club Championships (previously Travelers Curling Club Championship and The Dominion Curling Club Championship) is an annual curling tournament held in Canada. The tournament features the top "club level" curlers from every province and territory in Canada, plus Northern Ontario.

5. The first event was held in 2009. Each province and territory holds a series of playdowns where only one team per curling club is allowed an entry. Each curling club selects their teams independently with many choosing their respective club champions.
6. The event features only "club level" curlers. This means that top curling teams are barred from entry. Teams can only have one player who has played in a provincial men's, women's or seniors event that season or the previous season or in a Grand Slam of Curling event that year or in the previous year.

## 7. Timelines

Please see **Page 9** for timelines for the bid process

## 8. Bid process

Bid packages will be treated with confidentiality and as a 'closed' process, given the multitude of stakeholders and diverse interests which may be represented. Curling Canada reserves the right not to accept any of and/or all of the bids at its sole and unfettered discretion. While Curling Canada is seeking the best possible bid for this prestigious event, it is not obligated to accept the highest bid. As above, bids must be in the form of written presentation only. In the unlikely event that a site visit is required, Curling Canada will be responsible for all related expenses. Curling Canada reserves the right to disseminate further information to all candidates throughout the bid process.
