BOARD COMMITTEES FRAMEWORK

Committees are an essential tool for the effective and efficient functioning of a not-for-profit corporation's Board of Governors.

A well-designed committee structure allows a Board to focus expertise strategically and then to manage the flow of information so governors are not overwhelmed by unnecessary material that can thwart good decision-making at the Board table.

Committees receive delegation of a specific area of responsibility from the Board. The committee then is accountable for seeking and reviewing information, developing a cohesive view and then making recommendations to the Board, or exercising delegated authority.

Effective use of committees can improve the Board's ability to effectively address and deliver against multiple areas of its mandate. That being said, while the Board may delegate some responsibilities to committees, the Board retains ultimate oversight responsibility for the organization.

Standing committees are permanent Board committees that are responsible for on-going concerns of the Board. At Curling Canada we have 4 standing committees:

1. Event Risk, Finance and Audit
2. Governance
3. Human Resources
4. International

The following standards will be practices for all committees:

- All Committees are led/chaired by a Board member
- External experts are permitted to be part of the committee based on skills and experience related to that particular committee. They are appointed for a one-year term and can be reappointed annually if parties agree.
- Board Chair is ex. Officio on all committees and CEO has a standing invitation to all committee meetings. They do not vote.
- Other staff may be required members to attend committee meetings (e.g. COO/CFO attendance at Finance and Audit Committee meetings)

Enterprise Risk, Finance and Audit:

This committee provides oversight over the organization's assets, financial structure, investments, internal controls, preparation and audit of financial statements, and risk monitoring. It will also monitor the philanthropic arm of the organization.

Governance:

This committee provides oversight of Board practices and performance. It provides recommendations on Board policies and by-laws. The committee is also responsible for overseeing elections of governors by its members.

Human Resources Committee

6. Any Governor who is not appointed to the Committee may join meetings of the Committee by communicating with the Chair of the Governance Committee in advance to provide notice of their intent to join and the purpose of their attendance. Any such Governor is not entitled to vote on matters before the Committee and cannot attend in-camera sessions of the Committee, unless invited by the Chair of the Committee.

Resources:

1. The CEO will have a standing invitation to attend all meetings of the International Committee as a resource.
2. Staff support and resources as assigned by the CEO.

ATTENDANCE

Purpose

Curling Canada (“CC”) is led by its Board of Governors and relies on its leadership to guide the Organization. This policy is intended to facilitate the full participation and contribution of all Board members.

Policy Statement:

Members of the Board of Governors are expected to attend all Board and Committee meetings, in person or by telephone, as may be required by the Chair.

Attendance issues

1. A Board attendance issue occurs when a Board member has, in regard to regularly scheduled Board or Committee meetings: (a) an un-notified absence; (b) two notified absences in a row; or (c) missed three meetings in a twelve-month period. Notified absences occurring because of a leave (such as leaves from employment for any reason) do not constitute an attendance issue.
2. If an attendance issue occurs, the Chair will promptly contact the Board member to discuss the barriers to the member attending the meeting(s). The member’s response shall be shared with the Board at the next meeting.
3. The Board shall vote on whether or not to (a) request that the CC members terminate the absent member’s membership on the Board at the next AGM and/or (b) terminate the absent member’s membership on the Committee.
4. If the Board votes to terminate the Board member’s participation on either the Board or a Committee, the Chair shall provide a written notice of the Board’s decision to the Board member in question within two weeks of said vote.

BOARD CHAIR ELECTION PROCEDURES

This policy applies to the election of the Board Chair, whether after the conclusion of the Annual General Meeting (“**AGM**”) or in the case of a temporary absence or a vacancy mid-term. The purpose of this policy is to provide clarity of process for Board members who are tasked with electing their Chair.

Acting Chair

An Acting Chair is a temporary Chair, fulfilling the duties of the regular Chair, during a period of temporary absence (for reasons including but not limited to illness or vacation) or due to a vacancy in the position and pending the return or election of the regular Chair.

The incumbent Board of Governors shall have the right to appoint an Acting Chair whenever the position of the Chair is temporarily vacant. In the case of the period between the end of the AGM (when the term of the current Chair has expired) and the election by the incoming Board of Governors of the new Chair, the out-going Board of Governors will have the right to appoint an Acting Chair who will serve until the election of the new Chair has concluded.

Candidates for the position of Chair

Any current member of the Board of Governors may run for election as Chair. However, the Acting Chair will not put himself or herself forward as a candidate for Chair.

Election of Chair

At the first meeting of the Board of Governors after the AGM (to be conducted as soon as reasonably possible after the AM and in any event not later than two weeks after the AM), the first order of business shall be the election of a new Chair.

The election process will supervised by the Parliamentarian, the Auditor, or such other independent third party (the “**Monitor**”), as may be required and available in the circumstances, in accordance with the procedures outlined below. If the election cannot be held, in person, within two weeks after the AM, the Monitor may oversee the collection and tabulation of votes by email.

Results of the Election

Upon the conclusion of the election, the Monitor shall report the results to the Board members and the duties of the Acting Chair will cease.

Election Procedures

(Election procedures are currently being updated)

DELEGATION OF AUTHORITIES POLICY

The Board of Governors of Curling Canada (“CC”) embraces the principle of empowerment: that governance and management are more effective and efficient when they are separated and when management decision-making authority is delegated as far into the organization as is consistent with levels of competence and capacity. Within the limits and policies established by Articles of Incorporation and Bylaws, and by the CC Board of Governors, authorities regarding various aspects of operations have been delegated to the CEO (and by the CEO to other members of staff and/or volunteers) as outlined in this policy.

PURPOSE

This Delegation of Authorities Policy defines the limits of authority designated to specified positions of responsibility within CC and establishes the types and maximum amount of obligations that may be approved by individuals or groups of individuals. The approval of commitments and transactions outlined in this policy must always be made by the parties that have designated the responsibility for final approval.

Both staff and Board members should be aware that conduct that violates this policy is always considered outside the scope of their position. Violating the policy could significantly damage CC and expose it to unacceptable levels of risk and unintended legal and/or commercial liabilities. Individuals who violate this policy are subject to appropriate disciplinary action, including possible termination of employment (for staff) or dismissal from the Board of Governors.

The Chair and the CEO should take all necessary steps to ensure that Board members and staff are aware of and follow this policy.

OVERVIEW

This policy sets out the nature and extent of the authority formally delegated from the Board to the CEO and from the CEO to staff.

The Board reserves to itself, except to the extent that such power has been delegated to the CEO, control over its statutory obligations and key strategic directions and controls and monitoring of all risks that may significantly impact the Association.

The role of the Board of Governors is to **govern**. In addition to matters expressly required by law to be approved by the Board, powers specifically reserved for the Board are as follows:

- Appointing and removing the CEO and determining his or her terms and conditions of employment (including remuneration);
- Reviewing and approving each of the following:
 - Systems of governance, risk management and internal control, codes of conduct and legal compliance;
 - Financial statements and reporting; and
 - Any matters in excess of discretions that, from time to time, may have delegated been to the CEO.

- Approving each of the following:
 - Strategic Plan;
 - Annual Operational Plan (prepared by the CEO);
 - Annual operating budget (prepared by the CEO);
 - Material changes to the corporate structure;
 - The acquisition, establishment, disposal or cessation of any significant business or real estate of the organization; and
 - Any public statements that reflect significant issues of CC's policy or strategy.

The role of the CEO is to **manage**, which is broadly to:

1. Act as the executive officer to the Board, including advising and informing the Board on its governance role;
2. Work with the Board and Committees to reach agreed strategic and business outcomes within the appropriate budgetary and financial framework;
3. Manage all day-to-day affairs and activities of the organization, within the Board-endorsed strategic, policy, risk, and financial frameworks;
4. As required, attract, motivate and retain suitably qualified staff;
5. Provide reports, analysis and recommendations to the Board as required; and
6. Implement Board decisions.

The intention of this policy is to ensure that the correct balance of responsibilities is struck between governance and management in the best interests of CC members and other stakeholders. It is therefore specifically acknowledged that the:

1. CEO is empowered to manage and lead operations on a day-to-day basis;
2. Policy is intended to create the necessary platform to enable the CEO to manage and lead operations whilst preserving the Board's governing role;
3. The CEO's management and leadership role will include the input of the Board's vision, guidance and innovation wherever it is required; and
4. Policy is to be interpreted in this light to enable the CEO to manage the operations on a day-to-day basis.

PRINCIPLES OF DELEGATION

The key principles upon which this Delegation of Authorities is based are as follows:

Practicality

The delegation of authority to the CEO and other individuals should be clear, concise and practical.

Accountability

The trail of accountability for decision-making needs to be clear and must remain intact always in terms of the sub-delegation of authority by the CEO or others.

Sub-delegation

The CEO will have the ability to delegate his or her authority to others if, so far as the Board is concerned, the CEO will remain responsible for such decision-making.

Board reporting

It is essential that the Board receives adequate and timely reporting of the use of delegated authority by the CEO (particularly any unbudgeted or discretionary authority) so that the Board can be fully informed at all times.

7. The Screening Committee is responsible for reviewing all documents submitted and, based on the review, making decisions regarding the appropriateness of individuals filling positions within Curling Canada. In carrying out its duties, the Screening Committee may consult with independent experts including lawyers, police, risk management consultants, volunteer screening specialists, or any other person.
8. Nothing in this Policy restricts or limits the Screening Committee from requesting that the individual attend an interview with the Screening Committee if the Screening Committee considers that an interview is appropriate and necessary to screen the individual's application.
9. Nothing in this Policy restricts or limits the Screening Committee from requesting the individual's authorization to contact any professional, sporting or other organization in order to assess the individual's suitability for the position that they are seeking.
10. Nothing in this Policy restricts or limits the Screening Committee from requesting further information from the individual on more than one occasion, subject to the individual's right to insist that the Screening Committee make a decision on the basis of the information before it.
11. The Screening Committee may, where appropriate, draw an adverse inference from an individual's failure to provide information or answer queries.
12. When assessing an individual's screening application, the Screening Committee shall determine whether there is reason to believe that the individual may pose a risk to Curling Canada or its participants.

14. The Screening Committee determines on the basis of the individual's screening application, in addition to any further material received by it, that the individual does not pose a risk to Curling Canada or its participants, the Screening Committee shall approve the individual's application, subject to the Screening Committee's right to impose conditions.

Young People

- 18) Curling Canada defines a young person as someone who is younger than 18 years old. When screening young people, Curling Canada will:
 - a) Not require the young person to obtain a VSC or E-PIC; and
 - b) In lieu of obtaining a VSC or E-PIC, require the young person to submit up to two (2) additional letters of reference.
- 19) Notwithstanding the above, Curling Canada may ask a young person to obtain a VSC or E-PIC if Curling Canada suspects the young person has an adult conviction and therefore has a *criminal record*. In these circumstances, Curling Canada will be clear in its request that it is not asking for the young person's *youth record*. Curling Canada understands that it may not request to see a young person's youth record.

Renewal

- 20) Unless the Screening Committee determines, on a case-by-case basis, to modify the submission requirements, individuals who are required to submit an E-PIC, Screening Disclosure Form, VSC, or Screening Renewal Form, are required to submit the documents as follows:

How to Obtain an E-PIC OR VSC

- 27) Curling Canada has joined the Coaching Association of Canada's Responsible Coaching Movement and therefore has access to the E-PIC at a discounted rate. Individuals can obtain an E-PIC via https://www.sterlingtalentsolutions.ca/landing-pages/c/cac_ace/
- 28) In Ontario, Curling Canada understands that the *Police Record Checks Reform Act, 2015* requires the individual to consent in writing before requesting a criminal record check (such as an E-PIC). The Act also requires the individual to consent in writing for any disclosure of the results to the requesting organization.
- 29) In BC, the process for obtaining a Criminal Record Check is different than in other provinces and territories and sections of this policy relating to obtaining a Criminal Record Check may not apply. In such cases, the Screening Committee will provide individuals with directions pursuant to the following website: <https://www.viasport.ca/free-criminal-records-checks>
- 30) Individuals may only obtain a VSC by visiting an RCMP office or police station, submitting two pieces of government-issued identification (one of which must have a photo), and completing any required paperwork. Fees may also be required.

- 33) Screening documents must be submitted to the following individual:
Steven Indig, LL.B,
sji@sportlaw.ca
- 34) An individual who refuses or fails to provide the necessary screening documents will be ineligible to volunteer or apply for the position sought. The individual will be informed that their application and/or position will not proceed until such time as the screening documents are submitted.
- 35) Curling Canada understands that there may be delays in receiving the results of an E-PIC or a VSC. At its discretion, Curling Canada may permit the individual to participate in the role during the delay. Curling Canada may withdraw this permission at any time and for any reason.

- 36) Curling Canada recognizes that different information will be available depending on the type of screening document that the individual has submitted. For example, an E-PIC may show details of a specific offense, or not, and/or a VSC may be returned with specific information or simply a notification indicating 'cleared' or 'not cleared'. The Screening Committee will use its expertise and discretion when making decisions based on the screening documents that have been submitted.
- 37) Following the review of the screening documents, the Screening Committee will decide:
- a) The individual has passed screening and may participate in the desired position;
 - b) The individual has passed screening and may participate in the desired position with conditions;
 - c) The individual has not passed screening and may not participate in the desired position;
 - or

- 38) In making its decision, the Screening Committee will consider the type of offense, date of offense, and relevance of the offense to the position sought.

 - c. Any offense involving trafficking of illegal drugs
 - d. Any offense involving the possession, distribution, or sale of any child-related pornography
 - e. Any sexual offense

Conditions and Monitoring

- 40) Excluding the incidents above which, if revealed, would cause the individual to not pass screening, the Screening Committee may determine that incidents revealed on an individual's screening documents may allow the individual to pass the screening process and participate in a desired position with *conditions* imposed. The Screening Committee may apply and remove conditions at its discretion and will determine the

means by which adherence to conditions may be monitored.

Records

- 41) All records will be maintained in a confidential manner and will not be disclosed to others except as required by law, or for use in legal, quasi-legal, or disciplinary proceedings.

Curling Canada has a fundamental obligation and responsibility to protect the health, safety and physical and mental well-being of every individual that is involved in the Canadian curling community.

Curling Canada takes situation involving misconduct or maltreatment very seriously. For this reason, Curling Canada is committed to enacting and enforcing strong, clear, and effective policies and processes for preventing and addressing all forms of misconduct or maltreatment.

Curling Canada's policies are intended to promote a Safe Sport environment in a manner that allows for consistent, immediate, appropriate and meaningful action should any issues arise, and they are also intended to prevent issues from arising in the first place by communicating expected standards of behaviour.

Should any individuals involved with Curling Canada, including but not limited to Athletes, coaches, officials, volunteers, and parents/guardians of Athletes, wish to report any instance of misconduct or maltreatment, they may do so directly to Curling Canada, which will then determine the appropriate forum and manner to address the complaint.

*Curling Canada makes the following commitments to a sport environment free from Maltreatment:

- a) All Participants in sport can expect to play, practice and compete, work, and interact in an environment free from Maltreatment.
- b) Addressing the causes and consequences of Maltreatment is a collective responsibility and requires the deliberate efforts of all Participants, sport stakeholders, sport club administrators and organization leaders.
- c) Participants in positions of trust and authority have the general responsibility to protect the health and well-being of all other Participants.
- d) Adult Participants have a specific ethical and statutory duty and the additional responsibility to respond to incidents of Maltreatment involving Minors and other Vulnerable Individuals.
- e) All Participants recognize that Maltreatment can occur regardless of age, sex, sexual orientation, gender identity or expression, race, ethnicity, Indigenous status, or level of physical and intellectual disability and their intersections. Moreover, it is recognized that those from traditionally marginalized groups have increased vulnerability to experiences of Maltreatment.
- f) All Participants recognize that individuals who have experienced Maltreatment may experience a range of effects that may emerge at different time points and that can profoundly affect their lives.
- g) All adults working with children and youth have a duty to prevent or mitigate opportunities for misconduct.
- h) In recognition of the historic vulnerability to discrimination and violence amongst some groups, and that continues to persist today, Participants in positions of trust and authority have a duty to incorporate strategies to recognize systemic bias, unconscious bias, and to respond quickly and effectively to discriminatory practices

Curling Canada also recognizes the recent development of the Universal Code of Conduct to Prevent and Address Maltreatment in Sport ("UCCMS") and its responsibilities to integrate the UCCMS into its

policies. Since the UCCMS may continue to evolve in the foreseeable future, Curling Canada policies incorporate the key elements of the current version of the UCCMS as follows:

Definitions

1. The following terms have these meanings in this Code:

- a) **Abuse** – Includes Psychological Maltreatment, Physical Maltreatment, Neglect, and/or Grooming of Vulnerable Participants (who include Minors and vulnerable adults (people who, because of age, disability or other circumstance, are in a position of dependence on others or are otherwise at a greater risk than the general population of being harmed by people in positions of trust or authority)) by Persons in Authority and which can have the following warning signs:
 - i. Recurrent unexplained injuries
 - ii. Alert behaviour; child seems to always be expecting something bad to happen
 - iii. Often wears clothing that covers up their skin, even in warm weather
 - iv. Child startles easily, shies away from touch or shows other skittish behaviour
 - v. Constantly seems fearful or anxious about doing something wrong
 - vi. Withdrawn from peers and adults
 - vii. Behavior fluctuates between extremes (e.g., extremely cooperative or extremely demanding)
 - viii. Acting either inappropriately beyond their age (like an adult; taking care of other children) or inappropriately younger than their age (like an infant; throwing tantrums)
 - ix. Acting out in an inappropriate sexual way with toys or objects
 - x. New adult words for body parts and no obvious source
 - xi. Self-harm (e.g., cutting, burning or other harmful activities)
 - xii. Not wanting to be alone with a particular child or young person
- b) ***Athlete** – An individual who is an Athlete Participant in Curling Canada who is subject to the UCCMS and the policies of Curling Canada
- c) ***Consent** – *Consent* is defined in Canada's *Criminal Code* as the voluntary agreement to engage in the sexual activity in question. The law focuses on what the person was actually thinking and feeling at the time of the sexual activity. Sexual touching is only lawful if the person affirmatively communicated their consent, whether through words or conduct. Silence or passivity does not equal consent. Sexual activity is only legal when both parties consent. The *Criminal Code* also says there is no consent when: Someone says or does something that shows they are not consenting to an activity; Someone says or does something to show they are not agreeing to continue an activity that has already started; Someone is incapable of consenting to the activity, because, for example, they are unconscious; The consent is a result of a someone abusing a position of trust, power or authority or someone consents on someone else's behalf. A

person cannot say they mistakenly believed a person was consenting if: that belief is based on their own intoxication; they were reckless about whether the person was consenting; they chose to ignore things that would tell them there was a lack of consent; or they didn't take proper steps to check if there was consent. Sexual activity with a Minor is a criminal offence as is sexual activity with a person under the age of 18 years when the other person is in a position of trust or authority

- d) ***Disclosure** - The sharing of information by a Participant regarding an incident or a pattern of Maltreatment experienced by that Participant. Disclosure does not constitute a formal report that initiates a process of investigation to address the Maltreatment
- e) **"Discrimination"** – Differential treatment of an individual based on one or more prohibited grounds which include race, citizenship, national or ethnic origin, colour, religion, age, sex, sexual orientation, gender identity or expression, marital status, family status, genetic characteristics, or disability.
- f) ***Duty to Report**
 - i. **Concerns Under Child Protection Legislation:** A legal duty to report is mandated by law, and the requirement varies by province depending on provincial legislation. Everyone has a duty to report child abuse and neglect under Canadian child welfare laws. Professionals who work with children and youth have an added responsibility to report. Adults are obliged to report child Maltreatment if there is knowledge or suspicion that it is occurring. This is called the "duty to report." Every person in Canada has the duty to report known or suspected child Maltreatment by law. Known or suspected abuse or Neglect of a child must be reported to: local child welfare services (e.g., children's aid society or child and family services agency), or provincial/territorial social service ministries or departments, or local police
 - ii. **Concerns Outside of Child Protection Legislation:** Participants have a duty to report concerns of inappropriate conduct of other Participants to uphold the ethical standards and values of Canadian sport. Reporting inappropriate conduct is important to ensure proper action is taken and expectations are re-established. By addressing inappropriate conduct, a collective responsibility to protect Participants from Maltreatment is enacted
- g) ***Grooming** – Deliberate conduct by a Participant to sexualize a relationship with a Minor that involves the gradual blurring of boundaries and normalization of inappropriate and sexually abusive behaviour. During the grooming process, the Participant will gain the trust of the Minor and protective adults and peers around the Minor often under the guise of an existing relationship. Manipulation tactics are then used to blur perceptions and gain further access to and private time with the Minor in order to abuse or exploit the Minor. Grooming can occur whether or not harm is intended or results from the

behaviour. (Grooming is also a prohibited behaviour listed under the definition of Maltreatment)

- h) “*Harassment*” – A course of vexatious comment or conduct against an Individual or group, which is known or ought to reasonably be known to be unwelcome. Types of behaviour that constitute Harassment include, but are not limited to:
- i. Written or verbal abuse, threats, or outbursts;
 - ii. Persistent unwelcome remarks, jokes, comments, innuendo, or taunts;
 - iii. Racial harassment, which is racial slurs, jokes, name calling, or insulting behaviour or terminology that reinforces stereotypes or discounts abilities because of racial or ethnic origin;
 - iv. Leering or other suggestive or obscene gestures;
 - v. Condescending or patronizing behaviour which is intended to undermine self-esteem, diminish performance or adversely affect working conditions;
 - vi. Practical jokes which endanger a person’s safety, or may negatively affect performance;
 - vii. Hazing, which is any form of conduct which exhibits any potentially humiliating, degrading, abusive, or dangerous activity expected of a junior-ranking individual by a more senior individual, which does not contribute to either individual’s positive development, but is required to be accepted as part of a team or group, regardless of the junior-ranking individual’s willingness to participate. This includes, but is not limited to, any activity, no matter how traditional or seemingly benign, that sets apart or alienates any teammate or group member based on class, number of years on the team or with the group, or ability;
 - viii. Unwanted physical contact including, but not limited to, touching, petting, pinching, or kissing;
 - ix. Deliberately excluding or socially isolating a person from a group or team;
 - x. Persistent sexual flirtations, advances, requests, or invitations;
 - xi. Physical or sexual assault;
 - xii. Contributing to a *poisoned sport environment*, which can include:
 - a. Locations where material that is discriminatory is displayed (e.g., sexually explicit posters and racial/racist cartoons)
 - b. Groups where harassing behaviour is part of the normal course of activities
 - c. Behaviour that causes embarrassment, awkwardness, endangers a person’s safety or negatively affects performance
 - xiii. Behaviours such as those described above that are not directed towards a specific person or group but have the same effect of creating a negative or hostile environment; and
 - xiv. Retaliation or threats of retaliation against a person who reports harassment to Curling Canada.

- i) ***Maltreatment** – Includes Maltreatment related to:
 - i. *Psychological Maltreatment* – which includes, without limitation, verbal acts, non- assaultive physical acts and acts that deny attention or support
 - a. Verbal Acts - Verbally assaulting or attacking someone, including but not limited to: unwarranted personal criticisms; body shaming; derogatory comments related to one’s identity (e.g. race, gender identity or expression, ethnicity, Indigenous status, ability/disability); comments that are demeaning, humiliating, belittling, intimidating, insulting or threatening; the use of rumours or false statements about someone to diminish that person’s reputation; using confidential sport and non-sport information inappropriately. Verbal Maltreatment may also occur in online forms.
 - b. Non-assaultive Physical Acts (no physical contact) - Physically aggressive behaviors, including but not limited to: throwing objects at or in the presence of others without striking another; hitting, striking or punching objects in the presence of others
 - c. Acts that Deny Attention or Support - Acts of commission that deny attention, lack of support or isolation including but not limited to: ignoring psychological needs or socially isolating a person repeatedly or for an extended period of time; abandonment of an Athlete as punishment for poor performance; arbitrarily or unreasonably denying feedback, training opportunities, support or attention for extended periods of time and/or asking others to do the same
 - ii. *Physical Maltreatment* – includes, without limitation, contact or non-contact behaviours that have the potential to cause physical harm
 - a. Contact behaviours - Including but not limited to: deliberately punching, kicking, beating, biting, striking, strangling or slapping another; deliberately hitting another with objects
 - b. Non-contact behaviours - Including but not limited to: isolating a person in a confined space; forcing a person to assume a painful stance or position for no athletic purpose (e.g., requiring an Athlete to kneel on a hard surface); the use of exercise for the purposes of punishment; withholding, recommending against, or denying adequate hydration, nutrition, medical attention or sleep; denying access to a toilet; providing alcohol to a Participant under the legal drinking age; providing illegal drugs or non-prescribed medications to a Participant; encouraging or knowingly permitting an Athlete to return to play prematurely following any injury or after a concussion and without the clearance of a medical professional; encouraging an Athlete to

- perform a skill for which they are known to not be developmentally ready
- iii. *Sexual Maltreatment* – includes, without limitation, any act targeting a person’s sexuality, gender identity or expression, that is committed, threatened or attempted against a person, and includes but is not limited to the Criminal Code Offences of sexual assault, sexual exploitation, sexual interference, invitation to sexual touching, indecent exposure, voyeurism and non-consensual distribution of sexual/intimate images. Sexual Maltreatment also includes sexual harassment and stalking, cyber harassment, and cyber stalking of a sexual nature. Examples include:
- a. Any penetration of any part of a person’s body, however slight, with any object or body part by a person upon another person, including but not limited to:
 1. vaginal penetration by a penis, object, tongue, or finger; and
 2. anal penetration by a penis, object, tongue, or finger
 - b. Any intentional touching of a sexual nature of any part of a person’s body, however slight, with any object or body part by a person upon another person, including but not limited to:
 1. kissing;
 2. intentional touching of the breasts, buttocks, groin or genitals, whether clothed or unclothed, or intentionally touching of another with any of these body parts;
 3. any contact, no matter how slight, between the mouth of one person and the genitalia of another person, and
 4. making another touch themselves, the Participant, or someone else with or on any of the body parts listed in b).
 5. any intentional touching in a sexualized manner of the relationship, context or situation
 - c. In addition to the criminal acts identified above, the UCCMS prohibits sexual relations between an Athlete above the age of majority (depending upon jurisdiction) and a Participant who holds a position of trust and authority on the basis that there can be no Consent where there is a Power Imbalance. A Power Imbalance that is presumed to exist may be challenged
- iv. *Neglect* – or acts of omission, includes without limitation: not providing an Athlete recovery time and/or treatment for a sport injury; not being aware of and not considering an individual’s physical or intellectual disability; not considering supervision of an Athlete during travel, training or competition; not considering the welfare of the Athlete when prescribing dieting or other weight control methods (e.g., weigh-ins, caliper tests); disregarding the use of performance-enhancing

drugs by an Athlete; failure to ensure safety of equipment or environment; allowing an Athlete to disregard sport's rules, regulations, and standards, subjecting Participants to the risk of Maltreatment

- v. *Grooming* – is often a slow, gradual and escalating process of building trust and comfort with a young person. Grooming includes, without limitation, the process of making inappropriate behaviour seem normal and gradually engaging in 'boundary violations' which have been professionally-identified to Canadian standards (e.g., a degrading remark, a sexual joke, sexualized physical contact; adult Participants sharing rooms with a Minor who is not an immediate family member; providing a massage or other purported therapeutic interventions with no specific training or expertise; private social media and text communications; sharing personal photographs; shared use of locker rooms; private meetings; private travel, and providing gifts. The Grooming process:
 - a. Grooming usually begins with subtle behaviours that do not appear to be inappropriate. Many victims/survivors of sexual abuse do not recognize the grooming process as it is happening, nor do they recognize that this process of manipulation is part of the overall abuse process.
 - b. In the grooming process, the offender begins by gaining trust of adults around the young person. The offender establishes a friendship and gains the young person's trust. Grooming then involves testing boundaries (e.g. telling sexual jokes, showing sexually explicit images, making sexual remarks). Typically, behaviour moves from non-sexual touching to "accidental" sexual touching
 - c. The young person is often manipulated into feeling responsible for the contact, is discouraged from telling anyone else about the relationship, and is made to feel obligated to protect the offender. The offender also builds trust with those close to the young person so that the relationship with the young person is not questioned
- vi. *Interference with or Manipulation of Process* – it is considered maltreatment if an adult Participant directly or indirectly interferes with a process by:
 - a. falsifying, distorting, or misrepresenting information, the resolution process, or an outcome;
 - b. destroying or concealing information;
 - c. attempting to discourage an individual's proper participation in or use of the processes of Curling Canada;

- d. harassing or intimidating (verbally or physically) any person involved in the processes before, during, and/or following any proceedings of Curling Canada;
 - e. publicly disclosing a Participant's identifying information, without the Participant's agreement;
 - f. failing to comply with any temporary or provisional measure or other final sanction;
 - g. distributing or otherwise publicizing materials a Participant gains access to during an investigation or hearing, except as required by law or as expressly permitted; or
 - h. influencing or attempting to influence another person to interfere with or manipulate the process
 - i. Retaliation – which means that a Participant shall not take an adverse action against any person for making a good faith Report of possible Maltreatment or for participating in any process related to alleged conduct violations. Retaliation includes threatening, intimidating, harassing, coercing or any other conduct that would discourage a reasonable person from engaging or participating in the processes of Curling Canada. Retaliation after the conclusion of investigation and sanction processes is also prohibited. Retaliation may be present even where there is a finding that no Maltreatment occurred. Retaliation does not include good-faith actions lawfully pursued in response to a Report of possible Maltreatment
 - j. Aiding and Abetting – which is any act taken with the purpose of facilitating, promoting, or encouraging the commission of Maltreatment by a Participant. Aiding and Abetting also includes, without limitation, knowingly:
 - 1. allowing any person who has been suspended or is otherwise ineligible to be in any way associated with sport or to coach or instruct Participants;
 - 2. providing any coaching-related advice or service to an Athlete who has been suspended or is otherwise ineligible; and
 - 3. allowing any person to violate the terms of their suspension or any other sanctions imposed
- vii. *Reporting* – it is considered Maltreatment to fail to report Maltreatment of a Minor. A legal Duty to Report is mandated by law, and the requirement varies by province depending on provincial legislation
- a. Failure to Report Maltreatment of a Minor
 - 1. The obligation to Report requires the Reporting of any conduct which, if proven true, would constitute Psychological Maltreatment, Sexual Maltreatment, Physical Maltreatment or Neglect involving a Minor

Participant. The obligation to Report is an ongoing one and is not satisfied simply by making an initial Report. The obligation includes Reporting, on a timely basis, all relevant information of which an adult Participant becomes aware

2. The obligation to Report includes making a direct Report
 3. The obligation to Report includes personally identifying information of a potential Minor Complainant to the extent known at the time of the Report, as well as a duty to reasonably supplement the Report as to identifying information learned at a later time
 4. Participants should not investigate or attempt to evaluate the credibility or validity of allegations involving Psychological Maltreatment, Sexual Maltreatment, Physical Maltreatment or Neglect. Participants making a good faith Report are not required to prove the Reports are true before Reporting
- b. Failure to Report Inappropriate Conduct
1. Not all inappropriate conduct may meet the threshold for constituting Maltreatment. However, such inappropriate conduct may represent behavior with the risk of escalating to Maltreatment. Any Participant who suspects or becomes aware of another Participant's inappropriate conduct, even if it is not defined as Maltreatment, has a Duty to Report such inappropriate conduct through the organization's internal procedures. Those in positions of trust and authority who become aware of another's inappropriate conduct have a responsibility for reporting the concern within their organization's policies and procedures. The person making the report does not need to determine whether a violation took place: instead, the responsibility lies in reporting the objective behaviour
- c. Intentionally Filing a False Allegation
1. An allegation is false if the events Reported did not occur, and the person making the Report knows the events did not occur
 2. A false allegation is different from an unsubstantiated allegation; an unsubstantiated allegation means there is insufficient supporting evidence to determine whether an allegation is true or false. Absent demonstrable bad faith, an unsubstantiated allegation alone is not grounds for a violation

- j) ***Minor** – Any Participant who is under the age of majority at the time and in the jurisdiction where the alleged Maltreatment has occurred. Adults are responsible for knowing the age of a Minor. For the purpose of protection in each Canadian province and territory, a Minor is a child younger than the following age:
- i. 16 years old: Newfoundland and Labrador; Saskatchewan; Northwest Territories; Nunavut
 - ii. 18 years old: Prince Edward Island; Quebec; Ontario; Manitoba; Alberta
 - iii. 19 years old: Nova Scotia; New Brunswick; British Columbia; Yukon
- k) ***Neglect** – Any pattern or a single serious incident of lack of reasonable care, inattention to a Participant’s needs, nurturing or well-being, or omissions in care. Neglect is determined by the objective behaviour but the behaviour must be evaluated with consideration given to the Participant’s needs and requirements, not whether harm is intended or results from the behaviour. (Neglect is also a prohibited behaviour listed under the definition of Maltreatment)
- l) ***Participants** – Refers to all categories of individual members and/or registrants defined in the By-laws of Curling Canada and those who are subject to the UCCMS and the policies of Curling Canada, as well as all people employed by, contracted by, or engaged in activities with, Curling Canada including, but not limited to, employees, contractors, Athletes, coaches, instructors, officials, volunteers, managers, administrators, committee members, parents or guardians, spectators, committee members, and Directors and Officers
- m) **Person in Authority** – Any Participant who holds a position of authority within Curling Canada including, but not limited to, coaches, instructors, officials, managers, support personnel, chaperones, committee members, and Directors and Officers
- n) ***Physical Maltreatment** – Any pattern or a single serious incident of deliberate conduct that has the potential to be harmful to the physical well-being of the Participant. Physical Maltreatment includes, without limitation, contact or non-contact infliction of physical harm. Physical Maltreatment is determined by the objective behaviour, not whether harm is intended or results from the behaviour. (Physical Maltreatment is also a prohibited behaviour listed under the definition of Maltreatment)
- o) ***Power Imbalance** – A Power Imbalance may exist where, based on the totality of the circumstances, a Participant has supervisory, evaluative, a duty of care, or other authority over another Participant. A Power Imbalance may also exist between an Athlete and other adults involved in sport in positions such as high-performance directors, sport specific health-care providers, sport science support staff, care or support persons, guides or pilots. Maltreatment occurs when this power is misused. Once a coach-Athlete relationship is established, a Power Imbalance is presumed to exist throughout the coach-Athlete relationship, regardless of age, and is presumed to continue for Minor Athletes

after the coach-Athlete relationship terminates or until the Athlete reaches 25 years of age. A Power Imbalance may exist, but is not presumed, where an intimate relationship existed before the sport relationship commenced (e.g., a relationship between two spouses or life partners, or a sexual relationship between consenting adults that preceded the sport relationship).

- p) ***Psychological Maltreatment** – Any pattern or a single serious incident of deliberate conduct that has the potential to be harmful to the psychological well-being of the Participant. Psychological Maltreatment includes, without limitation, verbal conduct, non-assaultive physical conduct, and conduct that denies attention or support. Psychological Maltreatment is determined by the objective behaviour, not whether harm is intended or results from the behaviour. (Psychological Maltreatment is also a prohibited behaviour listed under the definition of Maltreatment)
- q) ***Sexual Maltreatment**
 - i. **Involving a Child:** Any form of adult/child sexualized interaction constitutes child sexual abuse. Sexual abuse of a child may occur through behaviours that do or do not involve actual physical contact. (Sexual Maltreatment is also a prohibited behaviour listed under the definition of Maltreatment)
 - ii. **Involving a person over the Age of Majority:** Any sexual act, whether physical or psychological in nature, that is committed, threatened, or attempted against a Participant without the Participant’s Consent. It includes any act targeting a Participant’s sexuality, gender identity or expression, that is committed, threatened or attempted against a Participant without that Participant’s Consent, and includes but is not limited to, the Criminal Code Offences of sexual assault, sexual exploitation, sexual interference, invitation to sexual touching, indecent exposure, voyeurism and non-consensual distribution of sexual/intimate images. Sexual Maltreatment also includes sexual harassment and stalking, cyber harassment, and cyber stalking of a sexual nature. Sexual Maltreatment can take place through any form or means of communication (e.g. online, social media, verbal, written, visual, hazing, or through a third party). (Sexual Maltreatment is also a prohibited behaviour listed under the definition of Maltreatment)

Purpose

2. The purpose of this Code is to ensure a safe and positive environment (within Curling Canada’s programs, activities, and events) by making Participants aware that there is an expectation, at all times, of appropriate behaviour consistent with Curling Canada’s core values. Curling Canada supports equal opportunity, prohibits discriminatory practices, and is committed to providing an environment in which all individuals are treated with respect and fairness.

Application of this Code

3. This Code applies to Participants' conduct during Curling Canada's business, activities, and events including, but not limited to, competitions, practices, tryouts, training camps, travel associated with Curling Canada's activities, Curling Canada's office environment, and any meetings.
4. An Individual who violates this Code may be subject to sanctions pursuant to Curling Canada's *Discipline and Complaints Policy*. In addition to facing possible sanction pursuant to Curling Canada's *Discipline and Complaints Policy*, an Individual who violates this Code during a competition may be ejected from the competition or the playing area, the official may delay the competition until the Individual complies with the ejection, and the Individual may be subject to any additional discipline associated with the competition.
5. *This Code applies to Participants active in the sport or who have retired from the sport where any claim regarding a potential breach of this Code occurred when the Participant was active in the sport
6. Harassment, bullying, sexual violence, workplace harassment, or workplace violence alleged to have been committed against a worker in a workplace (defined in the *Workplace Harassment Policy*) will be addressed pursuant to the *Workplace Harassment Policy*.
7. An employee of Curling Canada found to have engaged in acts of violence or harassment against any other employee, worker, contractor, member, customer, supplier, client or other third party during business hours, or at any event of Curling Canada, will be subject to appropriate disciplinary action subject to the terms of any of Curling Canada's relevant and applicable policies as well as the employee's Employment Agreement (if applicable).
8. This Code also applies to Participants' conduct outside of Curling Canada's business, activities, and events when such conduct adversely affects relationships within Curling Canada (and its work and sport environment) and is detrimental to the image and reputation of Curling Canada. Such applicability will be determined by Curling Canada at its sole discretion.

Persons in Authority and Maltreatment

9. *When they are a Person in Authority, Participants are responsible for knowing what constitutes Maltreatment. The categories of Maltreatment are not mutually exclusive, nor are the examples provided in each category an exhaustive list. Rather, what matters for the assessment of the Maltreatment is whether the conduct falls into one or more of the categories, not into which category it falls. Abuse, assault, Harassment, bullying, and hazing can be experienced in more than one category of Maltreatment.

10. *Maltreatment can be any of the prohibited behaviours and conduct, provided the Maltreatment occurs in any one or a combination of the following situations (The physical location(s) where the alleged Maltreatment occurred is not determinative):
 - i. Within a sport environment;
 - ii. When the Participant alleged to have committed Maltreatment was engaging in sport activities;
 - iii. When the Participants involved interacted due to their mutual involvement in sport; or
 - iv. Outside of the sport environment where the Maltreatment has a serious and detrimental impact on another Participant.

11. *It is a violation of the Code for sport administrators or other Persons in Authority to place Participants in situations that make them vulnerable to Maltreatment. This includes, but is not limited to, instructing an Athlete and coach to share a hotel room when traveling, hiring a coach who has a past history of Maltreatment, assigning guides and other support staff to a para-Athlete when the guide or support staff has a reputation for Maltreatment or assigning such a guide or support staff to a para-Athlete in the absence of consultation with the para-Athlete.

CONFLICT OF INTEREST POLICY

Definitions

1. The following terms have these meanings in this Policy:

“Conflict of Interest” – Any situation in which a Representative’s decision-making, which should always be in the best interests of Curling Canada, is influenced or could be influenced by personal, family, financial, business, or other private interests

- a) *“Pecuniary Interest”* – An interest that an individual may have in a matter because of the reasonable likelihood or expectation of financial gain or loss for that individual, or another person with whom that individual is associated
- b) *“Non-Pecuniary Interest”* – An interest that an individual may have in a matter which may involve family relationships, friendships, volunteer positions or other interests that do not involve the potential for financial gain or loss
- c) *“Representatives”* – Individuals employed by, or engaged in activities on behalf of, Curling Canada including: coaches, staff members, convenors, contract personnel, volunteers, managers, administrators, committee members, and Governors and Officers of Curling Canada

Background

2. Individuals who act on behalf of an organization have a duty first to that organization and second to any personal stake they have in the operations of Curling Canada. For example, in not-for-profit organizations, Governors are required, by law, to act as a trustee (in good faith, or in trust) of Curling Canada. Governors, and other stakeholders, must not put themselves in positions where making a decision on behalf of Curling Canada is connected to their own personal interests. That would be a conflict of interest situation.

Purpose

3. Curling Canada strives to reduce and eliminate nearly all instances of conflict of interest at Curling Canada – by being aware, prudent, and forthcoming about the potential conflicts. This Policy describes how Representatives will conduct themselves in matters relating to conflict of interest and clarifies how Representatives shall make decisions in situations where conflict of interest may exist.
4. This Policy applies to all Representatives.

Obligations

5. Any real or perceived conflict of interest, whether pecuniary or non-pecuniary, between a Representative’s personal interest and the interests of Curling Canada, shall always be resolved in favour of Curling Canada.
6. Representatives will not:
- a) Engage in any business or transaction, or have a financial or other personal interest, that is incompatible with their official duties with Curling Canada, unless such business, transaction, or other interest is properly disclosed to Curling Canada and approved by Curling Canada
 - b) Knowingly place themselves in a position where they are under obligation to any person who might benefit from special consideration or who might seek preferential treatment

- c) In the performance of their official duties, give preferential treatment to family members, friends, colleagues, or organizations in which their family members, friends, or colleagues have an interest, financial or otherwise
- d) Derive personal benefit from information that they have acquired during the course of fulfilling their official duties with Curling Canada, if such information is confidential or not generally available to the public
- e) Engage in any outside work, activity, or business or professional undertaking that conflicts or appears to conflict with their official duties as a representative of Curling Canada, or in which they have an advantage or appear to have an advantage on the basis of their association with Curling Canada
- f) Without the permission of Curling Canada, use Curling Canada's property, equipment, supplies, or services for activities not associated with the performance of their official duties with Curling Canada
- g) Place themselves in positions where they could, by virtue of being a Representative of Curling Canada, influence decisions or contracts from which they could derive any direct or indirect benefit
- h) Accept any gift or favour that could be construed as being given in anticipation of, or in recognition for, any special consideration granted by virtue of being a Representative of Curling Canada

Disclosure of Conflict of Interest

- 7. At the request of Curling Canada, any Director and candidate for election to the Board, Officer, Employee, coach, volunteer or member of a committee will complete a **Declaration Form** disclosing any real or perceived conflicts that they might have. Declaration Forms shall be retained by Curling Canada.
- 8. Representatives shall disclose real or perceived conflicts of interest to Curling Canada's Board immediately upon becoming aware that a conflict of interest may exist.
- 9. Representatives shall also disclose any and all affiliations with any and all other organizations involved with the same sport. These affiliations include any of the following roles: athlete, coach, manager, official, employee, volunteer, or Director.

Minimizing Conflicts of Interest in Decision-Making

- 10. Decisions or transactions that involve a conflict of interest that has been proactively disclosed by a Representative of Curling Canada will be considered and decided with the following additional provisions:
 - a) The nature and extent of the Representative's interest has been fully disclosed to the body that is considering or making the decision, and this disclosure is recorded or noted
 - b) The Representative does not participate in discussion on the matter
 - c) The Representative abstains from voting on the decision
 - d) For Board-level decisions, the Representative does not count toward quorum
 - e) The decision is confirmed to be in the best interests of Curling Canada
- 11. For potential conflicts of interest involving employees, Curling Canada's Board will determine whether there is there a conflict and, if one exists, the employee will resolve the conflict by ceasing the activity giving rise to the conflict. Curling Canada will not restrict employees from accepting other employment contracts or volunteer appointments

provided these activities do not diminish the employee's ability to perform the work described in the employee's job agreement with Curling Canada or give rise to a conflict of interest.

Conflict of Interest Complaints

12. Any person who believes that a Representative may be in a conflict of interest situation should report the matter, in writing (or verbally if during a meeting of the Board or any committee), to Curling Canada's Board who will decide appropriate measures to eliminate the conflict. The Board may apply the following actions singly or in combination for real or perceived conflicts of interest:
 - a) Removal or temporary suspension of certain responsibilities or decision-making authority
 - b) Removal or temporary suspension from a designated position
 - c) Removal or temporary suspension from certain teams, events, and/or activities
 - d) Expulsion from Curling Canada
 - e) Other actions as may be considered appropriate for the real or perceived conflict of interest
13. Any person who believes that a Representative has made a decision that was influenced by real or perceived conflict of interest may submit a complaint, in writing, to Curling Canada to be addressed under Curling Canada's *Discipline and Complaints Policy*.
14. Failure to comply with an action as determined by the Board will result in automatic suspension from Curling Canada until compliance occurs.
15. The Board may determine that an alleged real or perceived conflict of interest is of such seriousness as to warrant suspension of designated activities pending a meeting and a decision of the Board.

Enforcement

16. Failure to adhere to this Policy may permit discipline in accordance with Curling Canada's *Discipline and Complaints Policy*.

I also commit to disclosing the existence of any real or perceived conflict of interest to the Board as soon as it is known to me.

PURPOSE

3. Curling Canada is committed to providing an environment in which all Workers are treated with respect and dignity. Workplace harassment will not be tolerated from any person in the workplace.
4. This Policy is intended to ensure that Curling Canada works to prevent workplace harassment, including sexual harassment, and provides the procedures that will be followed to address and manage complaints of workplace harassment.

DEFINITIONS

5. The following terms are defined in the *Code of Conduct and Ethics*:
 - Discrimination
 - Harassment
 - Maltreatment
6. The following terms are defined in **Appendix A**:
 - Bullying
 - Workplace
 - Workplace Harassment
 - Workplace Violence

REPORTING SEXUAL VIOLENCE AND SEXUAL ASSAULT

8. Sexual Violence and Sexual Assault are serious crimes and should be immediately reported to the proper authorities, including Curling Canada.
9. If you have experienced or witnessed Sexual Violence or Sexual Assault:
 - Go to a Safe Place
 - Call your local Police or go to the nearest police station
 - Call your local Rape Crisis Centre
 - Call your local Victim Services Organization

- Report the experience to Curling Canada (strongly recommended if the incident involved a Curling Canada staff member)

RESPONSIBILITIES

10. All Workers are expected to read, understand and adhere to this Policy.
11. Managers are responsible to take appropriate preventive or corrective action and to put a stop to any harassment they are aware of, whether or not a complaint is filed. Failure to take appropriate action may result in disciplinary measures being imposed on the manager as well as the offending person.
12. In addition, management's responsibility is to ensure all complaints or incidents of workplace harassment are investigated and dealt with in a fair, respectful and timely manner.
13. Management will also ensure that all Workers receive annual training on Workplace Harassment and supervisors and managers will receive advanced training. Proof of completion will be placed in each Worker's file.

PROCEDURES

Reporting Workplace Harassment

14. If a Worker feels that they are being harassed, the Worker should first advise the person harassing them to stop, if they feel comfortable in doing so. If the Worker does not feel comfortable doing so, or if the harassment continues, the Worker is encouraged to report any incidents of Workplace Harassment to the appropriate person. Workers are not to be penalized or disciplined for reporting an incident or for participating in an investigation involving Workplace Harassment.

Where to File a Workplace Harassment Report

15. An incident or a complaint of Workplace Harassment should be reported as soon as possible after experiencing or witnessing an incident. This allows the incident to be investigated in a timely manner.
16. A Workplace Harassment incident or complaint must be reported directly to the Workplace Harassment Officer:
Executive Director Corporate Services
complaint@curlingcanada.ca
17. If the Workplace Harassment Officer is the alleged harasser, the Worker should report the complaint to the Chair.
18. All incidents or complaints of Workplace Harassment shall be kept confidential except to the extent necessary to protect Workers, to investigate the complaint or incident, to take corrective action or otherwise as required by law.

How to File a Workplace Harassment Report

19. Workers may report incidents or complaints of harassment verbally or in writing. When submitting a written complaint, Workers are asked to use the Workplace Harassment

Incident Report Form (**Appendix B**). When reporting verbally, the Workplace Harassment Officer along with the Worker will complete the Workplace Harassment Incident Report Form.

20. The report of the incident should include the following information:
- a) Name(s) and contact information of the Worker who has allegedly experienced harassment
 - b) Name(s) and contact information, if available, of the alleged harasser(s)
 - c) Names of the witness(es) (if any) or other person(s) with relevant information to provide about the incident (if any) and contact information (if known)
 - d) Details of what happened including date(s), frequency and location(s) of the alleged incident(s)
 - e) Any supporting documents the Worker may have that are relevant to the complaint (e.g., emails, texts, etc.).
 - f) A list any documents that may be relevant to the complaint.

What Happens After Filing a Workplace Harassment Report

21. All incidents or complaints will be kept confidential except to the extent necessary to protect the Worker, to investigate the complaint or incident, to take corrective action, or otherwise as required by law.
22. In particular, the Workplace Harassment Officer may inform the Chief Executive Officer and/or the Board of Governors that a Workplace Harassment complaint has been filed and needs to be investigated. The Workplace Harassment Officer may recommend that the investigation be conducted by an outside third party and the Chief Executive Officer and/or Board of Governors may not unreasonably withhold funding for any outside third party investigator.
23. The Workplace Harassment Officer is not required to reveal the name(s) of the Worker and alleged harasser(s), or details of the incident, at this stage of the process unless the safety of students or Workers may be at risk and/or if temporary action (e.g., a suspension of the alleged harasser(s) while an investigation takes place) is required.

RESPONSE TO WORKPLACE HARASSMENT COMPLAINTS

Investigation

24. Curling Canada will ensure that an investigation is conducted when it becomes aware of an incident of Workplace Harassment or receives a complaint of Workplace Harassment. If an Internal Investigation is not possible or appropriate, an external Investigator qualified to conduct a Workplace Harassment investigation and who has knowledge of the relevant Workplace Harassment laws will be retained to conduct the investigation.
25. The Workplace Harassment Officer will send written notice to the alleged harasser that an investigation of a report of Workplace Harassment under this Policy is being initiated and will provide the name of the Investigator. This notice will include the particulars of the incident reported and indicate that the alleged harasser will have an opportunity to respond to the allegations.

Timing of the Investigation

26. The investigation will be completed in a timely manner and generally within 60 days or less unless there are extenuating circumstances (i.e., illness, complex investigation) warranting a longer investigation.

Investigation Process

27. The Investigator will conduct the investigation in a manner befitting the Investigator's experience and recommendations with such matters, with the following guidelines:

- The Investigator will ensure the investigation is kept confidential and identifying information is not disclosed unless necessary to conduct the investigation.
- The Investigator will interview the Worker who allegedly experienced Workplace Harassment and the alleged harasser(s), if the alleged harasser is a Worker of Curling Canada. If the alleged harasser is not a worker, the Investigator will make reasonable efforts to interview the alleged harasser.
- The alleged harasser(s) will be given the opportunity to respond to the specific allegations raised by the Worker.
- The Investigator will interview any relevant witnesses employed by Curling Canada who may be identified by either the Worker who allegedly experienced the Workplace Harassment, the alleged harasser(s) or as necessary to conduct a thorough investigation. The Investigator will make reasonable efforts to interview any relevant witnesses who are not employed by Curling Canada if there are any identified.
- The Investigator will collect and review any relevant documents.
- The Investigator will take appropriate notes and statements during interviews with the Worker who allegedly experienced Workplace Harassment, the alleged harasser and any witnesses.
- The Investigator will provide the alleged harasser with a reasonable opportunity to respond in writing or orally to the allegations. If the response is oral, the Investigator should normally confirm the content of the response with the alleged harasser in writing. If they do not respond within a reasonable timeframe set by the Investigator, or chooses not to participate in the investigation, the Investigator may proceed in the absence of their response.
- The Investigator will prepare a written Investigator's Report summarizing the steps taken during the investigation, the complaint, the allegations of the Worker who allegedly experienced the workplace harassment, the response from the alleged harasser, the evidence of any witnesses, and the evidence gathered. The Investigator's Report will set out the findings of fact and come to a conclusion about whether or not, on a balance of probabilities, Workplace Harassment occurred.

Results of the Investigation

28. Within ten (10) business days of the investigation being completed, the Worker who allegedly experienced the workplace harassment and the alleged harasser, if he or she is a Worker of Curling Canada, will be informed in writing of the results of the investigation, and optionally an executive summary, but they are not to be sent the full Investigator's Report.
29. The parties will also be informed of any corrective action taken or that will be taken by Curling Canada to address Workplace Harassment.

Confidentiality

30. Information about complaints and incidents will be kept confidential to the extent possible. Information obtained about an incident or complaint of Workplace Harassment, including identifying information about any individuals involved, will not be disclosed unless disclosure is necessary to protect Workers, to investigate the complaint or incident, or to take corrective action or otherwise as required by law.
31. While the investigation is on-going, the Worker who has allegedly experienced harassment, the alleged harasser(s) and any witnesses must not discuss the incident or complaint or the investigation with each other or other workers or witnesses unless necessary to obtain advice about their rights. The Investigator may discuss the investigation and disclose the incident or complaint-related information only as necessary to conduct the investigation. All records of the investigation will be kept confidential.

Handling of Complaints

32. While the investigation is underway, the Workplace Harassment Officer will consider whether interim measures are necessary to minimize contact between the complainant and the accused harasser. Interim measures will be reasonable for the circumstances and may include granting time off, suspension, assigning different shifts, etc.

Disciplinary Action

33. Harassment by a Worker is a serious offence. If an accusation is substantiated, the harasser will be subject to immediate disciplinary action, up to and including dismissal.
34. After receiving the results of the investigation from the Workplace Harassment Officer, the Chief Executive Officer and/or Board of Governors will consider the evidence, the nature of the harassment, whether physical contact was involved, whether the situation was isolated, and whether there was an abuse of power to determine what is the appropriate corrective action.
35. Disciplinary actions may include:
 - Verbal or written apologies
 - A letter of reprimand or suspension
 - A referral to counselling
 - Remedial training
 - Schedule changes

- Termination of employment
- Referral to police or other legal authorities

UNSUBSTANTIATED COMPLAINTS AND RETALIATION

36. Intentionally accusing someone of harassment, known to be false, is a serious offence and may be subject to disciplinary action. Curling Canada reserves the right to discipline those whose complaints are frivolous or vexatious.
37. Any interference with the conduct of an investigation, or retaliation against the Worker filing the complaint, the alleged harasser, or witness, may itself result in disciplinary action.

RECORD KEEPING

38. Curling Canada will keep records of the investigation including:
- A copy of the complaint or details about the incident;
 - A record of the investigation including notes;
 - A copy of the Investigator's Report (if any);
 - A summary of the results of the investigation that was provided to the Worker who allegedly experienced the Workplace Harassment and the alleged harasser, if a Worker of Curling Canada; and
 - A copy of any corrective action taken to address the complaint or incident of Workplace Harassment.
39. All records of the investigation will be kept confidential. Records will be kept indefinitely. If the investigation does not find evidence to support the complaint, no record will be kept in the file of the alleged harasser. When the investigation finds harassment occurred, the incident and the corrective action will be recorded in the harasser's personnel file.

In such cases, Curling Canada's Chief Executive Officer and/or Chair may be notified that an investigation conducted by an external investigator is necessary without the nature of the investigation, content of the report, or identity of the Worker who submitted the report being disclosed. Curling Canada's Chief Executive Officer and/or Chair may not unreasonably refuse the decision to contract an external investigator.

20. Decisions made under the terms of this Policy may be appealed under the terms of Curling Canada's Appeal Policy provided that:
- a) If the Worker who submitted the initial report is appealing the decision, the Worker understands that his or her identity must be revealed if he or she submits an appeal, and

Confidentiality

21. Confidentiality at all stages of the procedures outlined in this Policy – from the initial report to the final decision – is assured for all individuals (the Worker, the Worker(s) against whom the report is submitted, and the individuals interviewed during the investigation). An individual who intentionally breaches the confidentiality clause of this Policy will be subject to disciplinary action.
22. In all stages of the investigation, the investigator will take every precaution to protect the identity of the Worker who submitted the report and/or the specific nature of the report itself. However, Curling Canada recognizes that there are some instances where the nature of the report and/or the identity of the Worker who submitted the report will or may be inadvertently deduced by individuals participating in the investigation.

CONSULTATION AND COMMUNICATIONS

The purpose of this policy is to define consultation requirements that deliver the highest quality information and risk analysis to the Board of Governors of Curling Canada in order for them to make informed and risk-balanced decisions. Communication to stakeholders of those consultation needs and defining the required process to obtain the particular information needed, will be critical for the high functioning of the board.

Guiding Principles of a Consultation

- Consultation and the communication of the requirements, process and outcomes of a consultation are parts of the dynamic process of dialogue between individuals or groups, based upon a genuine exchange of views, with the objective of influencing decisions, policies or programmes of action.
- Consultations are intended to advance the mission of Curling Canada, inspire our stakeholders, and assure the intended impact of Curling Canada's strategic imperatives.
- Consultation or input will always be used to advance the best interests of the sport in Canada so that decisions can be made that are best for the curling community as a whole vs any single group/member association or affiliation.
- Effective communication of information, perspective, and risk assessment in a consultation inspires trust in Curling Canada and is based on motivating, informing, counseling, and gaining understanding of the risks/opportunities of those who feel the greatest impact of decisions. It must therefore be done in a timely, open and transparent manner, respecting confidentiality where appropriate.
- All relevant information must be shared to facilitate informed communication.
- Each stakeholder has distinct and important roles in a consultation. Context is critical. Education around roles and accountabilities, governance training and non-member association stakeholder priorities is valuable as it provides broad context in which decision making is done.

Communication Behaviours and Processes

Curling Canada and its stakeholders have a shared responsibility to the sport of curling and its curlers to ensure that roles and accountabilities (as outlined below) are respected and that decisions, when properly made, are supported. To this end:

- Consultations will be undertaken in an open, consistent, regular and transparent manner. All contributions and perspectives will be considered and valued by Curling Canada during the decision-making process.
- In acknowledgement of the diversity of stakeholders, a fair mechanism(s) enabling those stakeholders an opportunity to provide input into the process, in either written or verbal manner, will be employed. Consultation design and responses to consultation requests will be provided in the manner/format requested. When a consultation process is anticipated, it will be clearly communicated including the expectations and timescale with anticipated publication of process and results. Consultations can be of both a formal and informal nature with informal consultations requesting informed response on topics/issues from individuals or groups with specific knowledge, expertise and/or experience in that area.
- The collection and assessment of feedback will be carried out promptly and objectively. Data will be collated and presented in an impartial manner to allow the decision makers the ability to assess and interpret the responses using their own experience and expertise as well as the role and responsibility delegated to them by the organization.
- Because decisions taken by Curling Canada can have material impact on the business models of the member associations, our respective consultation and communication must be thoughtful, considered, and timely.
- Results of any consultation will be communicated within a reasonable time providing the rationale for the decision being taken.
- Curling Canada will update and distribute its communication strategy from time to time for the benefit of all stakeholders and to ensure that they are able to anticipate and plan for consultation, respecting that some input will be of an unplanned or urgent nature.
