### 5 Team modified double round robin.

After the teams have played each other once, the teams will be re-ranked, 1-5 in order to determine who their last 2 games will be played against.

Rank 1 vs 4,5

Rank 2 vs 3,5

Rank 3 vs 2,4

Rank 4 vs 1,3

Rank 5 vs 1,2

Teams will be ranked on record first, if tied, ranking will be determined by the teams LSD values.

After the completion of the round robin;

If 1st place is clear = trials spot

If there is a two way tie for 1st place both teams get a trials spot

If there is a three way tie for 1st place (1st ranked team plays the 2nd ranked team for a trial spot, the loser plays the 3rd ranked team for a trials spot)

If there is a two way tie for second place the two teams will play for the 2nd trials spot

If there is a 3 way tie for 2nd place, the 2nd and 3rd ranked teams play off, the winner will play the 1st ranked team for the trials spot

If 2nd place is two wins ahead of 3rd place the 2nd place team gets the trials spot

If 3rd place (must have a minimum 3 round robin wins) is 1 win behind 2nd place, there will be a playoff between the 2nd and 3rd place teams for the trials

If there is a 5 way tie for first, 1st rank team plays the winner of the 4th vs 5th ranked team for a spot, 2nd ranked team plays the 3rd ranked team for a spot
