2021 Curling Canada National Curling Club Volunteer of the Year Award

Curling Canada's Business of Curling workshop program promotes volunteer development as a vital component to curling facility operations. We encourage facilities to formally recognize volunteers and that recognition is a significant tool you can use to retain and re-motivate your volunteer 'workforce'.

The **Volunteer of the Year Award** is based on the nominee's contributions from the **previous** curling season **only**. The winner of the 2021 award will be recognized for their efforts during the 2020-2021 curling season*. We are **not** looking for a lifetime of contributions since that would preclude those who have been members for a short time.

The winner will receive an all-expense paid weekend trip for two to the 2022 Tim Hortons Brier where they will be recognized during one of the playoff games. Provincial / Territorial finalists will receive an exclusive embroidered garment.

Eligible volunteers will have contributed in ANY of the following areas:

- Special event(s) (i.e. championship hosted at the club, anniversary celebrations);
- Building construction, renovations or upgrades (unpaid work);
- Program development for adults, persons with a disability, juniors, youth or schools (elementary, secondary, collegiate, university);
- Specific fundraising campaign;
- Successful membership campaign;
- Successful volunteer recruitment;
- ***In special circumstances, programs taking up to three years to develop will be considered**
- **Note:** eligible nominations are not necessarily restricted to these six areas. If your club has a deserving and eligible volunteer who contributed in an area not listed here, please send it in. It will be considered equally.

Your application must include the nominee's:

- Name
- Home address and contact information
- Employment
- Hobbies or Other interests
- Any Provincial/Territorial or Curling Canada training (i.e. Technical, Coaching)
- Sweater size
- A high resolution digital image of nominee - head & shoulders (300 DPI)

- A written description of your nominee's contribution and how that contribution **had a significant impact on** the curling club's operation. This essay will describe exactly how the curling club benefited and must include measurable outcomes.

For example:

- Describe any financial benefit
- Was there a boost in membership?
- Was a new program developed?

(Please restrict this essay to 750 words or less. It may be written by a member of the Board of Directors, a club committee member, a staff member, or a representative of the member association. The application form **must** be signed by the Club President or their designate.)

Note: The essay could also include a description of such qualities as organizational skills, ability to motivate, quality of work and so on.

Finally, a maximum of three (3) reference letters from any of the following (each 100 words or less):

- Curling club President or other executive member,
- Fellow club member,
- Friend, family member, etc.
