MEDIA INFORMATION

IMPORTANT: All media procedures, seating and access is subject to change based on the recommendations of public health authorities. All accredited media will be notified of any changes.

ACCREDITATION

Accreditation can be picked up at the volunteer entrance, located at the northeast side of ENMAX Centre. Hours for pickup are Thursday, March 3: 10am-4pm; Friday, March 4: 10am-End of day.

All media badges issued for the Tim Hortons Brier are non-transferable. Failure to follow this rule will result in forfeiture of your media credential.

MEDIA BENCH

An event/media area has been set up at the away end of the concourse. The bench offers wireless Internet, electrical outlets and TV's.

MEDIA WORKROOM

A media workroom is set up on the lower level of the building on the southwest side of ENMAX Centre near Sheet A on the home end.

Saturday through to the conclusion of the event it will open 30 minutes before the first draw of the day and close roughly one hour after the last draw.

The media room has electrical outlets, wireless Internet, a printer and television to assist in the production and distribution of media materials and media services.

INTERVIEW REGULATIONS/PROCEDURES

You will be required to fill out interview request forms, which will be available on the media bench. The forms will be gathered by volunteers as the draw progresses and will be handed to requested players at the completion of their games.

All post-game media interviews will be conducted in a physically-distanced scrum format at ice level in a designated space adjacent to the media bench. All players have been instructed to exit through this area on their way to the dressing rooms. Every effort will be made to escort players to the specified area as quickly as possible after each draw.

All in-person interviews MUST be socially-distanced. Masks are required at all times. Due to the distance, Curling Canada recommends having microphone extender to improve audio quality.

DRAW STATISTICS

A statistical report will be produced and limited copies distributed to the media shortly (about 15 minutes) after the conclusion of each draw. Live scores and stats can be viewed online at the Curling Canada website (www.curling.ca).

If you would like to receive the Draw Stats media report by email, please contact Al Cameron (acameron@curling.ca or 403-463-5500)

CURLING CANADA PHOTOGRAPHY GUIDELINES

All photographers must be identified with a B4 credential. You must also wear black/dark colour clothing and shoes.

In general, you are allowed to shoot from positions between the hoglines (starting about two metres from each hogline) on the carpeted areas separating the game sheets; in the corners of the arena; or behind the hack signs/scoreboards, provided you are not obscuring the vision of the spectators, blocking the scoreboard or in the way of the players.

Before entering the ice surface, please ensure that you have used the shoe cleaner, located near the home-end entrance, to remove dust, dirt and other particles from your shoes.

You are not allowed on the ice surface at any time.

Also:

- Flashes are not allowed.
- If you are carrying a mobile device, turn it to silent before entering the ice surface.
- No video can be shot from inside the boards.
- Please photograph from a sitting or squatting position; not standing or kneeling. Please shift your position at appropriate intervals to not consistently block the view of the same spectators.
- When moving along the walkway, ensure that no player is in the process of delivering a rock. If the curler is delivering, please wait until the deliver is complete before crossing the carpet at the end of the sheet.
- When a player is about to deliver a stone, you must be behind the hack signs/scoreboards, or situated between the hoglines.
- For playoff games, special instructions will be issued for photo locations in conjunction with the location of TSN's cameras. In general, though, you should avoid being in the TSN shot at all times.

Thank you for your co-operation.

Failure to adhere to these regulations could result in the forfeiture of your photography credential.

Total purse: \$300,000

1st: \$108,000

2nd: \$60,000

3rd: \$40,000

4th: \$20,000

5th & 6th: \$10,000

7th-10th: \$6,000

11th-14th: \$4,500

15th-18th: \$2,500

GAME DURATION: Teams must play a minimum of eight ends during a round-robin game before conceding. Where necessary, tiebreakers are a minimum of eight ends played. Playoff games are a minimum of 10 ends.

LAST STONE DRAW (LSD): Last stone advantage will be determined by the Last Stone Draws before each Round Robin game.

Both teams will name the two players delivering the Last Stone Draws before the first team practice.

At the conclusion of each team's pre-game practice, two stones will be delivered to the tee at the home end, by different players – the team with the first practice will deliver the clockwise rotation while the team with the second practice will deliver the counter-clockwise rotation.

There will be announcements to deliver the Last Stone Draw's (LSD's). A stone delivered prior to the announcement or NOT delivered within the one minute allotted, will be assigned a distance of 199.60 cm (the stone must reach the near tee-line before the time expires).

The first stone will be measured and removed from play before the second stone is announced to be delivered. The distances recorded for each stone will be added together to give the team its LSD total for that game.

The team with the lesser LSD total will have the choice of delivering the first or second stone in the first end of that game. If the LSD totals for both teams are the same, the individual LSD stones are compared, and the best non-equal LSD has the choice of delivering first or second stone in the first end. When both teams have the exact same individual LSD stone distances, a coin toss will be used to determine that choice.

Stones moved by the delivery team before being measured will be assigned the distance of the next defined circle away from the button.

If a member of the non-delivering team or an external force moves a stationary stone or causes it to be moved before the Umpire completes the measurement, the stone is replaced to its original position by the delivering team.

Triangulation: any stone covering the tee (or centre pin) will be measured from two separate points 61.00 cm from the tee. These distances will calculate the exact distance from the tee to the centre of the curling stone.

At the conclusion of the pool play round robin, two single highest recorded Last Stone Draw distances will be discarded by each team to establish the final accumulated distance.

Each player must deliver three stones with at least one clockwise and one counter-clockwise rotation during the round robin.

GAME TIMING: Thinking time will be used for this event. Each team receives 38 minutes to complete a ten-end game. Extra ends will be four minutes and 30 second (4:30) of thinking time for each team. A team's clock begins:

- Once the opposing team has completed their shot, all rocks have come to rest and moved behind the back line; AND
- the opposing team's sweepers have moved to the side of the sheet; AND
- the opposition in charge of the house has relinquished control of the house; AND
- the person in charge of the house (the delivering team) has taken control of the house.

A team's game clock stops once the stone has reached the nearest tee-line at the delivery end.

TIMEOUTS: Each team is allotted two, 90-second timeouts. The timeout must be signaled to the umpire and time clock operator. Either a coach OR alternate may attend the timeout, but not both.

The team that did not call the timeout may meet with their coach/alternate positioned behind the scoreboard.

Breaks between ends one through five and six through 10 are 90 seconds. Teams may meet with their coach/alternate between these ends, however the coach/alternate must stay behind the scoreboard.

The fifth-end break will be five minutes.

There will be a one-minute break prior to an extra end. Both teams will receive one 90-second timeout to play in any extra end during that game.

TIE-BREAKING, PLAYOFF QUALIFICATION: The following criteria will be used to rank teams at the completion of the round robin games in order:

1. Teams will be ranked based on their respective win/loss records.
2. If **two** teams are tied with the same record, the team that won the round-robin game between the two teams will be ranked higher.
3. If **more than two** teams are tied, the win/loss records in games between those teams only will determine ranking.
4. If points 1-3 do not determine ranking, then ranking will be determined by using the total distance of the accumulated draw shot distance.
5. If teams remain tied using accumulated distance of last stone draw, the next largest distances for tied teams will be removed until the tie is broken.

TIEBREAKER GAMES, STONE SELECTION & LAST STONE ADVANTAGE: If the win/loss records are identical between teams (without using the cumulative last stone draw results) the higher ranked team will have the choice of last stone advantage and the first pre-game practice OR the choice of handle colour.

If the cumulative last stone draw process has been used to determine ranking, the higher ranked team will have choice of colour and second practice. The draw to the button process for last stone advantage shall be used.

All tiebreaker games shall be played with the stones from the assigned sheet.

PLAYOFF GAMES, STONE SELECTION & LAST STONE ADVANTAGE: **Placement games (Friday):**
Games are played with stones from the assigned sheet.

If the higher-ranked team has a better round-robin win/loss record than its opponent, it receives choice of stone colour **AND** hammer in first end.

If the higher-ranked team has the same round-robin win/loss record as its opponent, it receives choice of stone colour **OR** second practice and the teams will draw for hammer.

Page 1-2 and 3-4 playoff games:
Games will have stone selection from all sheets.

The team with the better round robin win/loss record will receive choice of stone colour **AND** hammer in the first end.

If both teams have the same round robin win/loss record, the higher ranked team receives choice of stone colour **OR** second practice and the teams will draw for hammer.

Semifinal:

Games will have stone selection from all sheets.

If the loser of the 1-2 game has a better round-robin win/loss record than the winner of the 3-4 game, it will receive choice of hammer **AND** stone colour.

If the loser of the 1-2 game has the same or worse round-robin win/loss record than the winner of the 3-4 game the loser of the 1-2 game receives the choice of hammer **OR** stone colour.

Final:

Games will have stone selection from all sheets.

If the winner of 1-2 game has a better round robin win/loss record than the winner of the semifinal, the winner of the 1-2 game will receive choice of hammer **AND** stone colour.

If the winner of 1-2 game has the same or worse round-robin win/loss record than the winner of the semifinal, the winner of the 1-2 game will receive the choice of hammer **OR** stone colour

In 2021, the top three non-qualifying teams were invited to compete due to the Covid-19 pandemic and no Wild Card play-in game was held. The decision was made to ensure the integrity and quality of the championships during a season where many teams did not have an opportunity to compete at provincial and territorial events due to health regulations.
