## Seeding for Tournament of Hearts and Brier Nationals Championships

## Methodology:

- The Monday following the final playdown, the I8th entrant to the National Championships will be named. The team will be the highest ranked team on the CTRS that has not qualified as Team Canada, Pre-Qualified based on 2022-2023CTRS results or won their provincial/ territorial playdown
- Teams will then be seeded \#| to \#18 based their CTRS standings

| Pool A | Pool B |
| :---: | :---: |
| $\# 1$ | $\# 2$ |
| $\# 4$ | $\# 3$ |
| $\# 5$ | $\# 6$ |
| $\# 8$ | $\# 7$ |
| $\# 9$ | $\# 10$ |
| $\# 12$ | $\# 11$ |
| $\# 13$ | $\# 14$ |
| $\# 16$ | $\# 15$ |
| $\# 17$ | $\# 18$ |

- Teams without CTRS will be ranked by random order draw
- Team Canada and host province will automatically be placed in one pool while the two pre-qualified teams will be automatically placed in the opposite pool
- If after all teams are seeded based on their CTRS rank, and the pre-placed teams do not end up in the same pool; the teams will be moved across based on the snake-seeding format in order to ensure teams are in the same pool as marketed
- Note that when teams are moved to agree to pre-placed teams; the lowest ranked mis-placed teams will be the ones moved
